NOTES AND PRECIS.

~~P.U.C.~~ S.N. 12 From the Govt of India, telegram No.443/A, dated the 28th March, 1931.

Para 10 of notes ante.

Please see S.N.6 to 8. The further reply from the Pay and Accounts Officer referred to in the concluding portion of S.N.8 has not been received yet, It relates to the question of the actual/amount of cost of 3 Head Constables' suits, 3 pairs of putties and 3 pairs of boots. As regards their purchase he has already stated in his letter at S.N.8 that "there is no objection to sanction being accorded to the purchase." As time is very short and the further reply from the P & A Officer has not yet been received, it appears doubtful whether it will be received in time to effect the purchase after determining what their actual cost will be. As the necessity for the purchase has been established and the cost would be in the neighbourhood of Rs.34-9-0, a little over Rs.33-11-9 mentioned in the letter of the Commissioner of Police, it is for consideration whether the purchase may be sanctioned at once so that the expenditure may, if possible, be incurred during the current year itself. If approved the draft submitted is for consideration.

I

As regards the purchase of the additional blue woollen jerseys for the 2 Head Constables and 12 Constables of the Fire Brigade and of a khaki cover for the peaked cap of the Fire Engine Driver, the Govt of India have now accorded their sanction. The purchase may now be sanctioned. Draft submitted.

P.U.C.II.

On the receipt of the telegram No.443/A, dated the 28th March 1931, orders were issued sanctioning the supply of jerseys and the cover of the cap of the Fire Engine Driver-vide S.N.14.

It may be noticed, however, that the Govt of India while agreeing to a period of 2 years for the renewal of the cover of the cap of the Fire Engine Driver does not allow the same period for jerseys supplied to the Fire Brigade. They fix 4 years as the period of wear unless they are damaged by fire. The present communication of the Govt of India may therefore be communicated to the Commissioner of Police and the Pay and Accounts Officer for information in continuation. Draft endt submitted.

SIR,

I have the honour to refer to sanction for the supply of extra clothing to Traffic Head constables accorded in your No. 2809 dated 23-3-1929 and to state that on account of an omission to include it in the indent for clothing for 1929 to be issued in 1930, it was issued to them out of the existing stock which consequently fell short by 3 Head Constables' suits, 3 pairs of putties and 3 pairs of boots.

As the Head constables have to be supplied now, I request that sanction may be accorded immediately for their purchase at a cost not exceeding Rs. 33-11-9 to be met from "M.A.T. 26-APolice District Executive Force - Supplies and Services - Clothing of Police"in the current year's Budget.

With reference to your endorsement No.2035, dated 19-3-1931, forwarding for remarks letter No.464-A-31, dated 17-3-31 from the Commissioner of Police, Civil and Military Station, Bangalore, requesting sanction for certain clothing, I have the honour to state that as the articles are intended only to replenish the stock of clothing which fell short of actual requirements there is no objection to sanction being accorded to the purchase. The excess does not however appear to be solely due to the extra clothing to Traffic Head Constables accorded in Resident's letter No.2809, dated 23-3-1929. A reference has been made to the Commissioner of Police and his reply will be communicated on receipt.

Sir,

(S.N. 17(B) & (S.N. 16 A) With reference to your endorsement No.2762/106-1931, dated 16-4-1931 forwarding a copy of the Government of India, Foreign and Political Memorandum No.F.38-A/31, dated 30-3-1931 on the above subject, I have the honour to state that the cost of the blue woollen jerseys sanctioned for supply to 2 Head Constables and 12 Constables employed in the Fire Brigade has, unlike the cost of the peaked cap, been ordered to be wholly charged to the Mysore Assigned Tract Revenues. The jerseys sanctioned in the Government of India Order do not appear to form part of the ordinary clothing of the police but are in addition to the jerseys supplied to Head Constables and Constables as members of the Force as the latter cannot be used while on fire duty. They therefore appear to be an extra liability due to performance of duties in the Fire Brigade. As such, their cost seems legitimately chargeable to Mysore Assigned Tract, Mysore Residency (Central) and Municipality in equal shares as in the case of the peaked cap. I would therefore request that, if you agree, necessary amendment to para 2 of the Government of India Orders may kindly be obtained.

Supply of additional equipment to the fire-brigade staff in the Civil & Military Station, Bangalore.

Sir,

I have the honour to refer to Mr. Gupta's memorandum No.F. 38-A/31, dated the 30th March 1931, regarding supply of certain additional equipment to the fire-brigade staff in the Civil and Military Station of Bangalore.

2. The blue woollen jerseys sanctioned for supply to two Head Constables and 12 Constables employed in the Fire Brigade do not form part of the ordinary clothing of the police but are in addition to the jerseys which are supplied to Head Constables and Constables as members of the Force and which cannot be used while on fire duty. They therefore appear to be an extra liability due to performance of duty in the Fire Brigade and the Pay and Accounts Officer, Bangalore, is of opinion that their cost is legitimately chargeable to the Mysore Assigned Tract revenues, Central revenues and the revenues of the Bangalore Municipality in equal proportions. I accordingly request that, if there be no objection, an amendment to paragraph 2 of the Government of India's Memorandum No. F. 38-A/31, dated the

To

the Resident in Mysore,
BANGALORE.

SIR,

I have the honour to state that Sergeant Waskett had his breeches damaged while operating on a fire at the B.R.V. Theatre on 5-6-1931 and to compensate him from the loss sustained, he was awarded a sum of Rs. 8/-. The Accountant General Madras now intimates that the Hon'ble the Resident's sanction is required for this payment for the reason that it is not covered by any rule. I enclose a copy of the Accountant General's letter.

Such compensation is usually granted to Officers whose uniform is damaged while operating on a fire and is usually paid under the head allotted for this purpose and I therefore request that you will kindly obtain necessary sanction of the Hon'ble the Resident. The cost can be met from the provision in the Budget "Mysore Assigned Tract - 26-A-Police - District Executive Force - Supplies and Services - Clothing of Police Cost of upkeep of Fire Engine" for the current year.
